### **-RULES & REGULATIONS-**

#### **Participation**

This show is open to all Wisconsin State Adult and Junior Members

#### **Show Ring "Code of Ethics"**

The Wisconsin State Show endorses the PDCA Code of Ethics (Rules will be posted outside of show Barn)

#### **Cattle Check-in & Health Requirements**

Facilities will be open for arrival anytime after noon on Sunday July 16th. It is the responsibility of the exhibitor to notify the State Secretary (Superintendent) of the location of their animals to make certain the animals are checked in. **All animals must be checked in by 7:00 a.m. the morning of the show.** Registration papers must be available for check-in AT TIME OF ARRIVAL. Certificate of veterinary inspection is recommended but not required. There are no specific Health tests required for this show. Management has the right to decline entry to any animal exhibiting a contagious disease such as; ringworm, mange, warts etc.

#### **Manure and bedding Disposal**

Cattle will be housed on dirt flooring with concrete walkways. Shavings are preferred due to expensive removal charges. If you choose to use straw, please be courteous and don't over bed! **All animals bedded with anything other than shavings will be charged a non refundable fee of \$5/head** (All bedding must be pulled away from the walls of your stalling space prior to departure). Please remove all trash and place in proper receptacle.

#### **Shavings will be available for sale**

Please preorder shavings if possible from Federation Country Store in Black River Falls 715-284-4381 ext 5. Bedding MUST be picked up at the store. It will NOT be delivered. Cost is approximately \$6.35 per bale.

#### **Cattle Washing & Milk Disposal**

Cattle washing must be done in designated wash racks. These are drained to sanitary sewers to comply with County and City Health requirements. **The milkhouse will be available for milking.** Please use the milkhouse if possible so we can be paid for the milk to offset show expenses. All milking done outside of the milkhouse and Contaminated milk must be dumped in the city Sewer System located in the wash racks. Surface runoff of soaps, manure, milk, etc, must be prevented. (Proper Milk disposal will be enforced)

#### **Milking Facility**

A Milking facility will be available from July 16th through the show on July 18th.

#### **Dress Code & Show Harnesses**

White trousers are required. Show harnesses or other appropriate method of displaying back tag is required.

#### **Breeding Animals**

Every female over 24 months of age must have calved within 18 months or proven to be with calf or have a pregnancy from an embryo collected within 18 months.

#### **Liabilities**

Every precaution will be taken to properly protect animals in this show. Management, will not be liable for the safety of animals, exhibits, exhibitors, or their employees or for losses sustained because of robbery, damage by fire, accident, or any other cause. Exhibitors wishing to insure their livestock or exhibits must do so at their own expense.

#### **Substitutions**

Substitutions within classes with identical (farm ownership) will be permitted. No other substitutions will be allowed and all substitutions must be made no later than the time of checking registration certificates.

#### **Ownership**

Animals must be entered exactly as ownership appears on the registration certificate. The registration certificate showing the most recent activity will be considered official.

### Dry Cow defined, Dry/Milking Class Transfer

Any cow that was fresh 280 days or more, prior to the day of the show, may be shown at the option of the exhibitor in either the Dry or Milking Cow Class. A cow milked less than 280 days must show in the Milking Class, unless she is recorded dry on the official computer report. This sheet MUST accompany animals to be shown in the Dry Cow Classes. Transfer between equivalent dry and milking classes will only be permitted with the original animal entered. Class designation must be made no later than the time of checking registration papers.

### Registration Certificate / Group Classes

All animals exhibited must be registered. A Registered animal is defined by the American Guernsey Breeders Assn. as any animal designated as PR or above. No animals other than PR's and GR's being upgraded through the Genetic Recovery program, or fully registered animals will be allowed to show. Registration Certificates for all animals entered in any group class must be brought into the ring with the animals. Failure to present the registration certificates for any animals entered in a group will automatically disqualify the group.

### Premier Breeder

The exhibitor winning the most points on not to exceed 6 animals, in the open single classes exhibited by themselves and or other exhibitors, shall be designated Premier Breeder. Entry Forms for this contest must be turned in to the State Secretary no later than the conclusion of Grand Champion selection.

### Premier Exhibitor / Junior Exhibitor (same... except not to exceed 3 Head)

The exhibitor winning the most points on not to exceed six animals, which he/she owns and exhibits in the open single classes, shall be designated the Premier Exhibitor. Entry Forms for this contest must be turned in to the State Secretary no later than the conclusion of Grand Champion selection.

### Rules for Junior-Owned Animals

The State Junior Show will be held at the same time as the Open Show. Juniors will be recognized, placed, and awarded ribbons by stepping forward in their respective Open Show classes. The Wisconsin Guernsey Breeders will provide ribbons in each class of the Junior Division. Production Awards will be given to the Highest production of milk, butterfat, and Protein. In each milking cow class Junior Three-Year-Old and Older.

#### Eligibility:

Participation in the show is open to all young men and women who are recorded owners of one or more registered Guernsey females, properly recorded in the Herd register of the American Guernsey Association or respective National Guernsey Association or participate in the American Guernsey Association Youth Lease Agreement Program. Junior Exhibitors must have been born after January 1, 1996

#### Ownership:

In all classes the recorded ownership must show in the sole ownership of the exhibitor or partnership comprised of only junior members or a participant in the American Guernsey Association Youth Lease Agreement Program. The qualifying record of ownership or lease for animals, other than those bred by the junior exhibitor, shall be determined by the actual date the application for transfer of ownership was received in the offices of the American Guernsey Association. This date is automatically stamped on the back of the registration certificate and will be found with the transfer of ownership data. The latest qualifying transfer date is August 1, 2017.

If the participant is exhibiting under the American Guernsey Association Youth Lease Agreement Program, all guidelines and terms must have been followed and a copy of the signed and dated agreement must be present at Check in.

#### Participation:

Exhibitors may participate in as many years as his or her eligibility will permit. Each eligible exhibitor is limited to one entry in any one class but may show in each class. There is no limitation on the number of times an eligible animal may be exhibited. Exhibitors are required to show their own animals except that a substitute showman who
